

From the "Media Desk" of the Australian Society of Baking

"Peak National Technical Baking Industry Body"

G'day from the Australian Society of Baking

In this edition of Leading Edge the Australian Society of Baking has the pleasure of announcing full details of our 72nd meeting in Sydney at the Novotel Brighton Le Sands. With guest speakers currently being finalised the venue has been chosen with an emphasis on our opportunity to meet learn, teach, network and socialize.

The direction for our Sydney conference for 2008 is "Innovation and Trade". This incorporates a focus on our neighboring countries with guest speakers covering technical, innovation and trade details which show a greater relevance than ever before in the current economic climate and ever shrinking global market.

Following the conference one again will be the Annual Australian Society of Baking Chairman's Dinner. This annual black tie event now headlines the networking and social calendar for the baking industry. The venue for all events in 2008 is the Novotel Brighton Le Sands enabling conference delegates to relax and enjoy a day of information and education following on with a night of networking, camaraderie and celebration.

Along with the formal Australian Society of Baking proceedings for the night which include the ASB Hall Of Fame nominations and expected inductees as well as the Australian Baking Industry National Scholarship Awards. What an opportunity to network with fellow members and leaders of the Australian Baking Industry along with celebrating the youth and future of our industry!

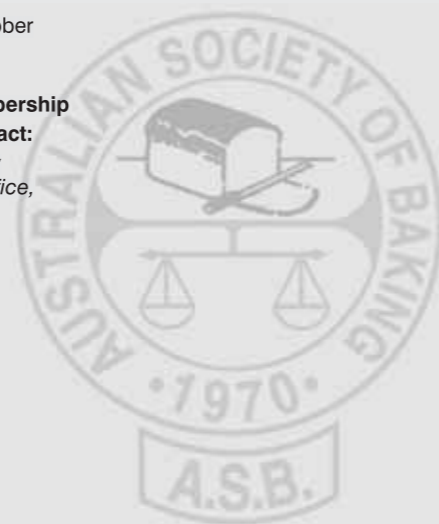

Special rates are available for conference delegates and Chairman's dinner attendees at the Novotel. Full details are available on the ASB website www.asb.org.au or through the ASB Secretary Marg Davey below - spaces are limited - we encourage you to reserve your place early for this the annual event to attend for the Australian Baking industry

On a final note nominations for the ASB Hall Of Fame are still open - as an ASB member we encourage you to nominate your ASB member and industry icon for the Hall Of Fame and timeless recognition. Please contact an ASB committee member or send details to the ASB secretary Marg Davey.

We look forward to seeing you in October
